HOW?

Fill out and turn in a completed Bingo sheet. Books must be from the school library - **NOT** a classroom collection or WPL.

WHAT?

April is School Library Month. But, since the library is closed many days for state testing, Mrs. Trimble and Mrs. Doel have a way for YOU to still get library books! Just log into Destiny and order books to be delivered to your class!

Go to Destiny by either:

1. Using the bookmarks on your Chromebook
2. Going to the "Home" page of the library website: www.likeagoodbook.com

Click on Walnut Springs

In the upper right corner, click on "Log In"

Use your Google login information

Go to "Catalog" and search for books. When you find one you like, click on the title and then click "Hold It" (the last button in the right column).

Note: Make sure there is an available copy in the library. And make sure you do not have any overdue library books!!

WHY? Lunch with your friends!!

One winner per grade level will be randomly selected from the returned Bingo sheets.

Winner gets to invite up to 5 other people for a pizza lunch on the library patio for the entire period (both seminars and lunches).

Patio will be roped off and include "Private Party" signs, music, and phone privileges.

Want to read/listen to an electronic book?

On the catalog, search either "ebook", "audio book", or "electronic", click on the title and then "Open" in the right corner.
